

Me eat. App count.

The calorie tracker so simple, a caveman uses it. Log food in seconds and hit your protein.

Your usual foods. One tap.

Quick Add learns what you eat, so breakfast is one tap.

Snap it. Say it. Done.

Photo or voice gives an estimate you review. 10 free tries.

Barcode scan. Free.

Plus food search, manual logging, meals, weigh-ins, and progress.

Protein, carbs & fat.

Set goals with your trainer. Send a one-page weekly recap every Sunday.

Scan · Free on iPhone
